The lead actor of the film is Rajinikanth. It was his first film in Tamil and second film overall after "Apoorva Raagangal".

The movie received positive reviews from critics. On review aggregator Rotten Tomatoes, the movie holds an approval rating of 64%, based on 5 reviews with an average rating of 6/10. By extension it gives a score of 7.4/10 on IMDb. The film opened to mixed reviews from critics, but was a hit at the box office.

The film was remade in 2017 as "Bahubali: The Beginning" with Rajinikanth reprising the role of Muthuraman who also played the lead role of Sivapalan in the original movie.

An unreleased project to recreate the 1980 Tamil movie "Moondru Mugam" with Rajinikanth played by Vishal playing Meera's father has been titled as "Indiana Jones Tamil Movie".

Titled as INDY2, this will be a prequel to Indiana Jones franchise - Indy 2 (1989).

It was being adapted into a Hollywood film, but that project was cancelled indefinitely.

The original 1984 movie "Indiana Jones and the Temple of Doom" was inspired by the classic 1950s Bollywood movie "Mera Naam Joker". The director of this movie, Satyajit Ray, died in 1992. Steven Spielberg adopted the title for his 1982 box office blockbuster "Raiders of the lost ark". But he forgot to give appropriate credit to Satyajit Ray. Hence, this created a controversy between Steven Spielberg and Satyajit Ray's son Sandip Ray. Later Sandip Ray got an apology letter from Steven Spielberg regarding that issue.
